

RAYMOND PUBLIC LIBRARY
SUMMER READING PROGRAM 2021
JUNE 7-JULY 24

Summer programming will be offered in the form of take-home kits. We'll offer a new kit every Monday at the library.

Kits are offered on a first-come, first-serve basis. Kits are limited and we ask that you only take the number you need.

JUNE 7: Create your own stickers — use your own images to create one-of-a-kind stickers.

JUNE 14: Bubble lamp in a bag — a lava lamp creation without electricity!

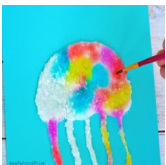

JUNE 21: Pom-Pom creatures * — create your own creature with this custom kit!

JUNE 28: Grow a Chiapet! — use your green thumb to grow a friend!

JULY 6: Salted jellyfish — use salt, glue, and watercolors to make your colors bleed.

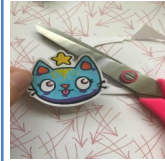

JULY 12: Didgeridoos Down Under! — pick up a kit to make your very own didgeridoo and connect with your Aussie style in this virtual program! (The link for this program will be provided in July.)

COLOR YOUR WORLD!

NAME: _____

Color a paint can every day you read at least 30 minutes!

Not reading yet? Spend 15 minutes with a book every day!

After you've colored all your paint cans, return your reading log to the library. All entries must be received by July 24. We'll contact you if you win a grand prize!

JUNE 7-13							
JUNE 14-20							
JUNE 21-27							
JUNE 28-JULY 4							
JULY 5-11							
JULY 12-18							

The pom-pom creatures project is funded in whole with money from Minnesota's Arts and Cultural Heritage fund.
